

# 'Tiny Winy'

Based on the traditional paint and sip evenings, we will create 'tiny' art ... with a wine!

Our March exhibition is Philocaly which is described as '*a love of beauty even in the smallest things*'. To compliment the exhibition Art Centre manager is running two workshops creating 'tiny' works that will also be exhibited in the show.

If you are interested to sign up, details are Saturday 15<sup>th</sup> and 22<sup>nd</sup> February 2-4pm BYO wine, non-alcoholic provided by the Art Centre. \$30 for one, or \$50 for both sessions to cover materials. Email [manager@artcentrehelensville.org.nz](mailto:manager@artcentrehelensville.org.nz) to book!

If you work in a given media and would like to bring your own materials, you are most welcome.
